

**产品名称:** Bovine Serum Albumin (10G8) Mouse Monoclonal Antibody

**产品货号:** AMM00886

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Mouse monoclonal Antibody                                                                      |
| 宿主(Host)          | Mouse                                                                                          |
| 应用(Application)   | WB                                                                                             |
| 种属反应(Reactivity)  | Bovine                                                                                         |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                     |
| 同种型(Isotype)      | IgG                                                                                            |
| 克隆(Clonality)     | Monoclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Affinity Purification                                                                          |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000                            |
| 分子量(Molecular Weight) | Calculated MW: 69 kDa; Observed MW: 69 kDa |

### 抗原信息(Antigen Information)

|                       |                                                |
|-----------------------|------------------------------------------------|
| 基因名(Gene Name)        | Alb                                            |
| 别名(Alternative Names) | BSA; ALB; Albumin; HSA; PRO0883; Serum Albumin |
| 基因 ID(Gene ID)        | 280717.0                                       |
| SwissProt ID          | P02769                                         |
| 免疫原(Immunogen)        |                                                |

### 研究背景 (Background)

Serum albumin, the main protein of plasma, has a good binding capacity for water, Ca<sup>2+</sup>, Na<sup>+</sup>, K<sup>+</sup>, fatty acids, hormones, bilirubin and drugs. Its main function is the regulation of the colloidal osmotic pressure of blood. Major zinc transporter in plasma, typically binds about 80% of all plasma zinc.

## 研究领域 (Research Area)

Cardiovascular

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Bovine Serum Albumin (10G8) in Bovine Serum Albuminlysates using Bovine Serum Albumin (10G8) antibody.
