

**产品名称:** FYN (4B8) Mouse Monoclonal Antibody

**产品货号:** AMM03462

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Mouse monoclonal Antibody                                                                      |
| 宿主(Host)          | Mouse                                                                                          |
| 应用(Application)   | WB, ICC/IF                                                                                     |
| 种属反应(Reactivity)  | Human, Monkey, Rat, Mouse                                                                      |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                     |
| 同种型(Isotype)      | IgG2b                                                                                          |
| 克隆(Clonality)     | Monoclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Affinity Purification                                                                          |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000, ICC/IF 1:50-1:200         |
| 分子量(Molecular Weight) | Calculated MW: 61 kDa; Observed MW: 61 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                                                           |
|-----------------------|-----------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | FYN                                                                                                       |
| 别名(Alternative Names) | FYN; Tyrosine-protein kinase Fyn; Proto-oncogene Syn; Proto-oncogene c-Fyn; Src-like kinase; SLK; p59-Fyn |
| 基因 ID(Gene ID)        | 2534                                                                                                      |
| SwissProt ID          | P06241                                                                                                    |
| 免疫原(Immunogen)        | A synthetic peptide of human Fyn                                                                          |

### 研究背景 (Background)

Tyrosine-protein kinase implicated in the control of cell growth. Plays a role in the regulation of intracellular calcium levels, with isoform 2 showing the greater ability to mobilize cytoplasmic calcium in comparison to isoform 1. Required in brain

development and mature brain function with important roles in the regulation of axon growth, axon guidance, and neurite extension.

### 研究领域 (Research Area)

Neuroscience

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot analysis of Fyn in HeLa, 3T3, C6, COS7, CEM, Ramos and Jurkat lysates using Fyn antibody.

Immunocytochemistry analysis of FYN (4B8) in HeLa using Fyn antibody.
