

**产品名称:** Synaptophysin (10C8) Mouse Monoclonal Antibody

**产品货号:** AMM03573

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Mouse monoclonal Antibody                                                                      |
| 宿主(Host)          | Mouse                                                                                          |
| 应用(Application)   | WB,IHC                                                                                         |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                     |
| 同种型(Isotype)      | IgG1                                                                                           |
| 克隆(Clonality)     | Monoclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Ascitic Fluid                                                                                  |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100             |
| 分子量(Molecular Weight) | Calculated MW: 34 kDa; Observed MW: 34 kDa |

### 抗原信息(Antigen Information)

|                       |                                                        |
|-----------------------|--------------------------------------------------------|
| 基因名(Gene Name)        | SYP                                                    |
| 别名(Alternative Names) | SYP; Synaptophysin; Major synaptic vesicle protein p38 |
| 基因 ID(Gene ID)        | 6855                                                   |
| SwissProt ID          | P08247                                                 |
| 免疫原(Immunogen)        | A synthetic peptide of human Synaptophysin             |

### 研究背景 (Background)

SYP Possibly involved in structural functions as organizing other membrane components or in targeting the vesicles to the plasma membrane. Involved in the regulation of short-term and long-term synaptic plasticity. Belongs to the synaptophysin/synaptobrevin family. Homohexamer or homotetramer. Note: This description may include information from

UniProtKB.

## 研究领域 (Research Area)

Neuroscience

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Synaptophysin (10C8) in rat brain lysates using Synaptophysin (10C8) antibody.

Immunohistochemical analysis of paraffin-embedded Human tonsils using Synaptophysin (10C8) antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Western blot analysis of Synaptophysin (10C8) in rat Brain, rat Hippocampus, HeLa, 3T3 lysates using Synaptophysin (10C8) antibody
