

**产品名称: LIN28A (9G2) Mouse Monoclonal Antibody**

**产品货号: AMM03705**

### 产品概述 (Summary)

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| 描述(Description)   | Mouse monoclonal Antibody                                                                |
| 宿主(Host)          | Mouse                                                                                    |
| 应用(Application)   | WB, ICC/IF                                                                               |
| 种属反应(Reactivity)  | Human                                                                                    |
| 偶联物(Conjugation)  | Unconjugated                                                                             |
| 修饰(Modification)  | Unmodified                                                                               |
| 同种型(Isotype)      | IgG1                                                                                     |
| 克隆(Clonality)     | Monoclonal                                                                               |
| 剂型(Form)          | Liquid                                                                                   |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles. |
| 储存溶液(Buffer)      | PBS containing 0.03% sodium azide.                                                       |
| 纯化 (Purification) | Ascitic Fluid                                                                            |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000, ICC/IF 1:50-1:200         |
| 分子量(Molecular Weight) | Calculated MW: 23 kDa; Observed MW: 23 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | LIN28A                                                                                                                                        |
| 别名(Alternative Names) | CSDD1; FLJ12457; LIN 28; Lin-28A; LIN28; LIN28A; LN28A_HUMAN; Protein lin-28 homolog A; ZCCHC1; Zinc finger CCHC domain-containing protein 1. |
| 基因 ID(Gene ID)        | 79727                                                                                                                                         |
| SwissProt ID          | Q9H9Z2                                                                                                                                        |
| 免疫原(Immunogen)        | A synthetic peptide of human Lin28A                                                                                                           |

### 研究背景 (Background)

Involved in the timing of developmental events and choice of stage specific cell fates. Acts as a suppressor of microRNA (miRNA) biogenesis by specifically binding the precursor let-7 (pre-let-7), a miRNA precursor. Acts by binding pre-let-7 and recruiting ZCCHC11/TUT4 uridylyltransferase, leading to the terminal uridylation of pre-let-7.

## 研究领域 (Research Area)

Epigenetics and Nuclear Signaling

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Immunofluorescence analysis of LIN28A (9G2) in Hela cells were transfected with pMX construct of Human LIN28 using LIN28A (9G2) antibody

Immunofluorescence analysis of LIN28A (9G2) in NTERA-2 cells using LIN28A (9G2) antibody (green). Blue: DRAQ5 fluorescent DNA dye.

Western blot analysis of LIN28A (9G2) in NTERA-2 lysates using LIN28A (9G2) antibody.
