

**产品名称:** Cytochrome C Rabbit Polyclonal Antibody

**产品货号:** APRab00073

### 产品概述 (Summary)

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                         |
| 宿主(Host)          | Rabbit                                                                                             |
| 应用(Application)   | WB,IHC,IP                                                                                          |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                    |
| 偶联物(Conjugation)  | Unconjugated                                                                                       |
| 修饰(Modification)  | Unmodified                                                                                         |
| 同种型(Isotype)      | IgG                                                                                                |
| 克隆(Clonality)     | Polyclonal                                                                                         |
| 剂型(Form)          | Liquid                                                                                             |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.           |
| 储存溶液(Buffer)      | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| 纯化 (Purification) | Affinity Chromatography                                                                            |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,IP 1:20     |
| 分子量(Molecular Weight) | Calculated MW: 12 kDa; Observed MW: 15 kDa |

### 抗原信息(Antigen Information)

|                       |                                           |
|-----------------------|-------------------------------------------|
| 基因名(Gene Name)        | CYCS                                      |
| 别名(Alternative Names) | CYCS; CYC; Cytochrome c                   |
| 基因 ID(Gene ID)        | 54205                                     |
| SwissProt ID          | P99999                                    |
| 免疫原(Immunogen)        | A synthetic peptide of human Cytochrome C |

### 研究背景 (Background)

CYCS Electron carrier protein. The oxidized form of the cytochrome c heme group can accept an electron from the heme group of the cytochrome c1 subunit of cytochrome reductase. Cytochrome c then transfers this electron to the cytochrome oxidase complex, the final protein carrier in the mitochondrial electron-transport chain.

## 研究领域 (Research Area)

Cardiovascular

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Cytochrome C in HeLa lysates using Cytochrome C antibody.

Immunohistochemistry analysis of paraffin-embedded Human colonic cancer using Cytochrome C antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Immunofluorescence analysis of Cytochrome C in HeLa using Cytochrome C antibody.
