

**产品名称: ASAH3L Rabbit Polyclonal Antibody**

**产品货号: APRab00504**

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                     |
| 宿主(Host)          | Rabbit                                                                                         |
| 应用(Application)   | WB,IHC,ELISA                                                                                   |
| 种属反应(Reactivity)  | Human,Mouse                                                                                    |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                     |
| 同种型(Isotype)      | IgG                                                                                            |
| 克隆(Clonality)     | Polyclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Affinity Purification                                                                          |

### 产品应用(Application)

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,ELISA 1:5000-1:20000 |
| 分子量(Molecular Weight) | Calculated MW: 31 kDa; Observed MW: 31 kDa          |

### 抗原信息(Antigen Information)

|                       |                                                                                                                                                                |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | ACER2                                                                                                                                                          |
| 别名(Alternative Names) | ACER2; ASAH3L; PP11646; Alkaline ceramidase 2; AlkCDase 2; Alkaline CDase 2; haCER2; Acylsphingosine deacylase 3-like; N-acylsphingosine amidohydrolase 3-like |
| 基因 ID(Gene ID)        | 340485                                                                                                                                                         |
| SwissProt ID          | Q5QJU3                                                                                                                                                         |
| 免疫原(Immunogen)        | Synthesized peptide derived from ASAH3L . at AA range: 50-130                                                                                                  |

### 研究背景 (Background)

Golgi ceramidase that catalyzes the hydrolysis of ceramides into sphingoid bases like sphingosine and free fatty acids at alkaline pH.

## 研究领域 (Research Area)

Signal Transduction

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of ASAH3L in COS7 lysates using ASAH3L antibody.

Immunohistochemistry analysis of paraffin-embedded Human breastcancer using ASAH3L antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Immunohistochemistry analysis of paraffin-embedded Human breastcancer using ASAH3L antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Immunohistochemistry analysis of paraffin-embedded Human liver using ASAH3L antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.
