

**产品名称:** Phospho-Smad2 (Ser250) Rabbit Polyclonal Antibody

**产品货号:** APRab00704

### 产品概述 (Summary)

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                         |
| 宿主(Host)          | Rabbit                                                                                             |
| 应用(Application)   | WB,FC                                                                                              |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                    |
| 偶联物(Conjugation)  | Unconjugated                                                                                       |
| 修饰(Modification)  | Phosphorylated                                                                                     |
| 同种型(Isotype)      | IgG                                                                                                |
| 克隆(Clonality)     | Polyclonal                                                                                         |
| 剂型(Form)          | Liquid                                                                                             |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.           |
| 储存溶液(Buffer)      | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| 纯化 (Purification) | Affinity Chromatography                                                                            |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,FC 1:50-1:100              |
| 分子量(Molecular Weight) | Calculated MW: 52 kDa; Observed MW: 58 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                                                                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | SMAD2                                                                                                                                                                                            |
| 别名(Alternative Names) | SMAD2; MADH2; MADR2; Mothers against decapentaplegic homolog 2; MAD homolog 2; Mothers against DPP homolog 2; JV18-1; Mad-related protein 2; hMAD-2; SMAD family member 2; SMAD 2; Smad2; hSMAD2 |
| 基因 ID(Gene ID)        | 4087                                                                                                                                                                                             |
| SwissProt ID          | Q15796                                                                                                                                                                                           |
| 免疫原(Immunogen)        | A synthetic Phosphorylated peptide corresponding to residues target protein                                                                                                                      |

### 研究背景 (Background)

The protein encoded by this gene belongs to the SMAD, a family of proteins similar to the gene products of the Drosophila

gene 'mothers against decapentaplegic' (Mad) and the *C. elegans* gene Sma. SMAD proteins are signal transducers and transcriptional modulators that mediate multiple signaling pathways.

### 研究领域 (Research Area)

Signal Transduction

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot analysis of Phospho-Smad2 (S250) in (1) HeLa treated with alkaline phosphatase lysates; (2) HeLa lysates using Phospho-Smad2 (Ser250) antibody.
