

**产品名称:** Phospho-Annexin 2 (Ser26) Rabbit Polyclonal Antibody

**产品货号:** APRab00929

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                     |
| 宿主(Host)          | Rabbit                                                                                         |
| 应用(Application)   | WB                                                                                             |
| 种属反应(Reactivity)  | Human                                                                                          |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Phosphorylated                                                                                 |
| 同种型(Isotype)      | IgG                                                                                            |
| 克隆(Clonality)     | Polyclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Affinity Purification                                                                          |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000                            |
| 分子量(Molecular Weight) | Calculated MW: 39 kDa; Observed MW: 39 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                                                                                                                                                                   |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | ANXA2                                                                                                                                                                                                             |
| 别名(Alternative Names) | ANXA2; ANX2; ANX2L4; CAL1H; LPC2D; Annexin A2; Annexin II; Annexin-2; Calpactin I heavy chain; Calpactin-1 heavy chain; Chromobindin-8; Lipocortin II; Placental anticoagulant protein IV; PAP-IV; Protein I; p36 |
| 基因 ID(Gene ID)        | 302                                                                                                                                                                                                               |
| SwissProt ID          | P07355                                                                                                                                                                                                            |
| 免疫原(Immunogen)        | A synthetic Phosphorylated peptide corresponding to residues target protein                                                                                                                                       |

### 研究背景 (Background)

Originally identified as a protein inhibitor of phospholipase A2, annexin A2 has subsequently been shown to interact with an

array of protein and non-protein partners, including F-actin, spectrin, SNARE complexes, RNA, and virus particles.

### 研究领域 (Research Area)

Signal Transduction

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot analysis of Phospho-Annexin 2 (Ser26) in HepG2 lysates using Phospho-ANXA2 (Ser26) antibody.
