

**产品名称:** CD8 alpha Rabbit Polyclonal Antibody

**产品货号:** APRab01333

### 产品概述 (Summary)

|                   |                                                                                                    |
|-------------------|----------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                         |
| 宿主(Host)          | Rabbit                                                                                             |
| 应用(Application)   | WB,IHC,ICC/IF                                                                                      |
| 种属反应(Reactivity)  | Human                                                                                              |
| 偶联物(Conjugation)  | Unconjugated                                                                                       |
| 修饰(Modification)  | Unmodified                                                                                         |
| 同种型(Isotype)      | IgG                                                                                                |
| 克隆(Clonality)     | Polyclonal                                                                                         |
| 剂型(Form)          | Liquid                                                                                             |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.           |
| 储存溶液(Buffer)      | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| 纯化 (Purification) | Affinity Chromatography                                                                            |

### 产品应用(Application)

|                       |                                                  |
|-----------------------|--------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,ICC/IF 1:50-1:200 |
| 分子量(Molecular Weight) | Calculated MW: 26 kDa; Observed MW: 32 kDa       |

### 抗原信息(Antigen Information)

|                       |                                                                                                                        |
|-----------------------|------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | CD8A                                                                                                                   |
| 别名(Alternative Names) | CD8A; MAL; T-cell surface glycoprotein CD8 alpha chain; T-lymphocyte differentiation antigen T8/Leu-2; CD antigen CD8a |
| 基因 ID(Gene ID)        | 925                                                                                                                    |
| SwissProt ID          | P01732                                                                                                                 |
| 免疫原(Immunogen)        | A synthetic peptide of human CD8 alpha                                                                                 |

### 研究背景 (Background)

Identifies cytotoxic/suppressor T-cells that interact with MHC class I bearing targets. CD8 is thought to play a role in the process of T-cell mediated killing. CD8 alpha chains binds to class I MHC molecules alpha-3 domains.

## 研究领域 (Research Area)

Immunology

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of CD8 in Jurkat lysates using CD8 alpha antibody.

Immunohistochemistry analysis of paraffin-embedded Human colon using CD8 antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Immunofluorescence analysis of CD8 alpha in Jurkat using CD8 antibody.

Western blot analysis of CD8 alpha in Raji lysates using CD8 antibody.
