

**产品名称: PSMD14 Rabbit Polyclonal Antibody**

**产品货号: APRab01370**

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                           |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB,IHC,ICC/IF                                                                                        |
| 种属反应(Reactivity)  | Human,Mouse,Rat,Monkey                                                                               |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Polyclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                                  |
|-----------------------|--------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,ICC/IF 1:50-1:200 |
| 分子量(Molecular Weight) | Calculated MW: 35 kDa; Observed MW: 35 kDa       |

### 抗原信息(Antigen Information)

|                       |                                                                            |
|-----------------------|----------------------------------------------------------------------------|
| 基因名(Gene Name)        | PSMD14                                                                     |
| 别名(Alternative Names) | 26S proteasome non-ATPase regulatory subunit 14; PAD1; POH1; Psmd14; RPN11 |
| 基因 ID(Gene ID)        | 10213                                                                      |
| SwissProt ID          | O00487                                                                     |
| 免疫原(Immunogen)        | A synthetic peptide of human PSMD14                                        |

### 研究背景 (Background)

Metalloprotease component of the 26S proteasome that specifically cleaves 'Lys-63'-linked polyubiquitin chains. The 26S proteasome is involved in the ATP-dependent degradation of ubiquitinated proteins. The function of the 'Lys-63'-specific deubiquitination of the proteasome is unclear.

## 研究领域 (Research Area)

Cell Biology

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of PSMD14 in Raw264.7, 3T3 lysates using PSMD14 antibody.

Western blot analysis of PSMD14 in HeLa, COS7, PC-12 lysates using PSMD14 antibody.

Immunocytochemistry analysis of PSMD14(green) in HeLa using PSMD14 antibody, and DAPI(blue)

Immunohistochemistry analysis of paraffin-embedded Human Cholangiocarcinoma using PSMD14 antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.
