

**产品名称: RPL7 Rabbit Polyclonal Antibody**

**产品货号: APRab03399**

### 产品概述 (Summary)

|                   |                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                     |
| 宿主(Host)          | Rabbit                                                                                         |
| 应用(Application)   | WB,IHC,ELISA                                                                                   |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                |
| 偶联物(Conjugation)  | Unconjugated                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                     |
| 同种型(Isotype)      | IgG                                                                                            |
| 克隆(Clonality)     | Polyclonal                                                                                     |
| 剂型(Form)          | Liquid                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.       |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% sodium azide, pH 7.3. |
| 纯化 (Purification) | Affinity Chromatography                                                                        |

### 产品应用(Application)

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,ELISA 1:5000-1:20000 |
| 分子量(Molecular Weight) | Calculated MW: 29 kDa; Observed MW: 32 kDa          |

### 抗原信息(Antigen Information)

|                       |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | RPL7                                                                                             |
| 别名(Alternative Names) | L7; humL7-1                                                                                      |
| 基因 ID(Gene ID)        | 6129                                                                                             |
| SwissProt ID          | P18124                                                                                           |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human RPL7. AA range:199-248 |

### 研究背景 (Background)

Component of the large ribosomal subunit (PubMed:12962325). Binds to G-rich structures in 28S rRNA and in mRNAs. Plays a regulatory role in the translation apparatus; inhibits cell-free translation of mRNAs.

## 研究领域 (Research Area)

Epigenetics and Nuclear Signaling

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of RPL7 in various lysates using RPL7 antibody.

Western blot analysis of RPL7 in cat sample lysates using Ribosomal Protein L7 antibody.

Western blot analysis of RPL7 in mouse kidney, mouse brain, HELA, KB, SH-SY5Y, 293T and 3T3 lysates using Ribosomal Protein L7 antibody.

Western blot analysis of RPL7 in 293 and HeLa lysates using RPL7 antibody. The lane on the right is blocked with the synthesized peptide.

Western blot analysis of PL7 in K562 using RPL7 antibody.

## EnkiLife 优势产品推荐
