

**产品名称:** Abin-2 Rabbit Polyclonal Antibody

**产品货号:** APRab06450

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | IHC, ICC/IF, ELISA                                                                                |
| 种属反应(Reactivity)  | Human, Mouse, Rat                                                                                 |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

**稀释比(Dilution Ratio)** IHC 1:50-1:200, ICC/IF 1:50-1:200, ELISA 1:10000-1:20000

**分子量(Molecular Weight)**

### 抗原信息(Antigen Information)

|                       |                                                                                                                                |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | TNIP2                                                                                                                          |
| 别名(Alternative Names) | TNFAIP3-interacting protein 2 (A20-binding inhibitor of NF-kappa-B activation 2; ABIN-2; Fetal liver LKB1-interacting protein) |
| 基因 ID(Gene ID)        | 79155.0                                                                                                                        |
| SwissProt ID          | Q8NFZ5                                                                                                                         |
| 免疫原(Immunogen)        | Synthetic peptide from human protein at AA range: 61-110                                                                       |

### 研究背景 (Background)

This gene encodes a protein which acts as an inhibitor of NFkappaB activation. The encoded protein is also involved in MAP/ERK signaling pathway in specific cell types. It may be involved in apoptosis of endothelial cells. Alternative splicing

results in multiple transcript variants. A pseudogene related to this gene is located on the X chromosome.[provided by RefSeq, May 2014],function:Inhibits NF-kappa-B activation by blocking the interaction of RIPK1 with its downstream effector IKBKG. Forms a ternary complex with NFKB1 and MAP3K8 but appears to function upstream of MAP3K8 in the TLR4 signaling pathway that regulates MAP3K8 activation.,subunit:Interacts with STK11, TNFAIP3, IKBKG, NFKB1, MAP3K8 and RIPK1.,tissue specificity:Ubiquitously expressed in all tissues examined.,

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Immunohistochemical analysis of paraffin-embedded human-cervical-cancer, antibody was diluted at 1:200

Immunohistochemical analysis of paraffin-embedded human-cervical-cancer, antibody was diluted at 1:200

Immunohistochemical analysis of paraffin-embedded human-liver, antibody was diluted at 1:200

Immunohistochemical analysis of paraffin-embedded human-liver, antibody was diluted at 1:200

## EnkiLife 优势产品推荐
