

**产品名称:** Cks1 Rabbit Polyclonal Antibody

**产品货号:** APRab08876

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,ICC/IF,ELISA                                                                                   |
| 种属反应(Reactivity)  | Human,Mouse                                                                                       |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                                           |
|-----------------------|-----------------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,ICC/IF 1:200-1:1000,ELISA 1:10000-1:20000 |
| 分子量(Molecular Weight) | 9kDa                                                      |

### 抗原信息(Antigen Information)

|                       |                                                                                                |
|-----------------------|------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | CKS1B                                                                                          |
| 别名(Alternative Names) | CKS1B; CKS1; PNAS-143; PNAS-16; Cyclin-dependent kinases regulatory subunit 1; CKS-1           |
| 基因 ID(Gene ID)        | 1163.0                                                                                         |
| SwissProt ID          | P61024                                                                                         |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human CKS1. AA range:10-59 |

### 研究背景 (Background)

CKS1B protein binds to the catalytic subunit of the cyclin dependent kinases and is essential for their biological function. The CKS1B mRNA is found to be expressed in different patterns through the cell cycle in HeLa cells, which reflects a specialized role

for the encoded protein. At least two transcript variants have been identified for this gene, and it appears that only one of them encodes a protein. [provided by RefSeq, Sep 2008],function: Binds to the catalytic subunit of the cyclin dependent kinases and is essential for their biological function.,similarity: Belongs to the CKS family.,subunit: Forms a homohexamer that can probably bind six kinase subunits.,

## 研究领域 (Research Area)

Pathways in cancer; Small cell lung cancer;

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Immunofluorescence analysis of HeLa cells, using CKS1 Antibody. The picture on the right is blocked with the synthesized peptide.

Western blot analysis of lysates from Jurkat cells, treated with serum 20% 15', using CKS1 Antibody. The lane on the right is blocked with the synthesized peptide.

Western Blot analysis of various cells using Cks1 Polyclonal Antibody.
