

**产品名称:** FRS3 Rabbit Polyclonal Antibody

**产品货号:** APRab11159

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,ELISA                                                                                          |
| 种属反应(Reactivity)  | Human,Monkey                                                                                      |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                       |
|-----------------------|---------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,ELISA 1:20000-1:40000 |
| 分子量(Molecular Weight) | 54kDa                                 |

### 抗原信息(Antigen Information)

|                       |                                                                                                                                                         |
|-----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | FRS3                                                                                                                                                    |
| 别名(Alternative Names) | FRS3; Fibroblast growth factor receptor substrate 3; FGFR substrate 3; FGFR-signaling adaptor SNT2; Suc1-associated neurotrophic factor target 2; SNT-2 |
| 基因 ID(Gene ID)        | 10817.0                                                                                                                                                 |
| SwissProt ID          | O43559                                                                                                                                                  |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human FRS3. AA range:191-240                                                        |

### 研究背景 (Background)

This gene encodes a substrate for the fibroblast growth factor receptor. The encoded protein is found in the peripheral plasma

membrane and links fibroblast growth factor receptor stimulation to activators of Ras. The encoded protein down-regulates extracellular regulated kinase 2 through direct binding. [provided by RefSeq, Jul 2013],function:Adapter protein that links FGR and NGF receptors to downstream signaling pathways. Involved in the activation of MAP kinases. Down-regulates ERK2 signaling by interfering with the phosphorylation and nuclear translocation of ERK2.,PTM:Phosphorylated on tyrosine residues upon stimulation by BFGF or NGFB.,similarity:Contains 1 IRS-type PTB domain.,subunit:Binds NTRK1 (By similarity). Binds FGFR1, NGFR, GRB2, PTPN11 and ERK2.,

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of lysates from COS7 cells, using FRS3 Antibody. The lane on the right is blocked with the synthesized peptide.

Western Blot analysis of various cells using FRS3 Polyclonal Antibody
