

**产品名称: GPR12 Rabbit Polyclonal Antibody**  
**产品货号: APRab11631**

## 产品概述 (Summary)

|                        |                                  |
|------------------------|----------------------------------|
| 产品名称 (Production Name) | GPR12 Rabbit Polyclonal Antibody |
| 描述 (Description)       | Rabbit polyclonal Antibody       |
| 宿主 (Host)              | Rabbit                           |
| 应用 (Application)       | WB, ICC/IF, ELISA                |
| 种属反应性 (Reactivity)     | Human, Rat, Mouse                |

## 产品性能 (Performance)

|                     |                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                      |
| 修饰 (Modification)   | Unmodified                                                                                        |
| 同种型 (Isotype)       | IgG                                                                                               |
| 克隆 (Clonality)      | Polyclonal                                                                                        |
| 形式 (Form)           | Liquid                                                                                            |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液 (Buffer)       | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化方式 (Purification) | Affinity purification                                                                             |

## 免疫原信息 (Immunogen)

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| 基因名 (Gene Name)        | GPR12                                                                                                   |
| 别名 (Alternative Names) | GPR12; G-protein coupled receptor 12                                                                    |
| 基因 ID (Gene ID)        | 2835.0                                                                                                  |
| 蛋白 ID (SwissProt ID)   | P47775. The antiserum was produced against synthesized peptide derived from human GPR12. AA range: 1-50 |

## 产品应用 (Application)

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:500-1:2000, ICC/IF 1:200-1:1000, ELISA 1:5000-1:10000 |
| 蛋白分子量 (Molecular Weight) | 37kDa                                                      |

## 研究背景 (Background)

**产品名称: GPR12 Rabbit Polyclonal Antibody**  
**产品货号: AP Rab11631**

function:Orphan receptor.,similarity:Belongs to the G-protein coupled receptor 1 family.,function:Orphan receptor.,similarity:Belongs to the G-protein coupled receptor 1 family.,

## 研究领域 (Research Area)

## 图片 (Image Data)

Immunofluorescence analysis of A549 cells, using GPR12 Antibody. The picture on the right is blocked with the synthesized peptide.

## 注意事项 (Note)

For research use only .
