

**产品名称:** LDLRAD2 Rabbit Polyclonal Antibody

**产品货号:** APRab13270

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,IHC,ELISA                                                                                      |
| 种属反应(Reactivity)  | Human,Rat,Mouse                                                                                   |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,IHC 1:50-1:300,ELISA 1:2000-1:20000 |
| 分子量(Molecular Weight) | 29kDa                                               |

### 抗原信息(Antigen Information)

|                       |                                                                                                        |
|-----------------------|--------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | LDLRAD2                                                                                                |
| 别名(Alternative Names) | LDLRAD2; Low-density lipoprotein receptor class A domain-containing protein 2                          |
| 基因 ID(Gene ID)        | 401944.0                                                                                               |
| SwissProt ID          | Q5SZI1                                                                                                 |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human LDLRAD2.<br>AA range:130-179 |

### 研究背景 (Background)

similarity:Belongs to the LDLR family.,similarity:Contains 1 LDL-receptor class A domain.,similarity:Belongs to the LDLR family.,similarity:Contains 1 LDL-receptor class A domain.,

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of lysates from Jurkat, LOVO, and NIH/3T3 cells, using LDLRAD2 Antibody. The lane on the right is blocked with the synthesized peptide.

Western blot analysis of the lysates from HepG2 cells using LDLRAD2 antibody.

Western Blot analysis of various cells using LDLRAD2 Polyclonal Antibody diluted at 1: 500
