

**产品名称:** LOK Rabbit Polyclonal Antibody

**产品货号:** APRab13368

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,IHC,ELISA                                                                                      |
| 种属反应(Reactivity)  | Human,Rat,Mouse                                                                                   |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,IHC 1:50-1:300,ELISA 1:2000-1:20000 |
| 分子量(Molecular Weight) | 120kDa                                              |

### 抗原信息(Antigen Information)

|                       |                                                                                                   |
|-----------------------|---------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | STK10                                                                                             |
| 别名(Alternative Names) | STK10; LOK; Serine/threonine-protein kinase 10; Lymphocyte-oriented kinase                        |
| 基因 ID(Gene ID)        | 6793.0                                                                                            |
| SwissProt ID          | O94804                                                                                            |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human STK10. AA range:491-540 |

### 研究背景 (Background)

This gene encodes a member of the Ste20 family of serine/threonine protein kinases, and is similar to several known polo-like kinase kinases. The protein can associate with and phosphorylate polo-like kinase 1, and overexpression of a kinase-dead

version of the protein interferes with normal cell cycle progression. The kinase can also negatively regulate interleukin 2 expression in T-cells via the mitogen activated protein kinase kinase 1 pathway. [provided by RefSeq, Jul 2008],catalytic activity:ATP + a protein = ADP + a phosphoprotein.,function:Can act on substrates such as myelin basic protein and histone 2A on serine and threonine residues.,PTM:Autophosphorylated.,similarity:Belongs to the protein kinase superfamily.,similarity:Belongs to the protein kinase superfamily. STE Ser/Thr protein kinase family. STE20 subfamily.,similarity:Contains 1 protein kinase domain.,tissue specificity:Expressed predominantly in lymphoid organs.,

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of the lysates from HT-29 cells using STK10 antibody.

Western Blot analysis of various cells using LOK Polyclonal Antibody

Western Blot analysis of HuvEc cells using LOK Polyclonal Antibody
