

**产品名称:** LTK Rabbit Polyclonal Antibody

**产品货号:** APRab13476

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,IHC,ICC/IF,ELISA                                                                               |
| 种属反应(Reactivity)  | Human,Mouse                                                                                       |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,IHC 1:100-1:300,ICC/IF 1:200-1:1000,ELISA 1:5000-1:10000 |
| 分子量(Molecular Weight) | 92kDa                                                                    |

### 抗原信息(Antigen Information)

|                       |                                                                                                 |
|-----------------------|-------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | LTK                                                                                             |
| 别名(Alternative Names) | LTK; TYK1; Leukocyte tyrosine kinase receptor; Protein tyrosine kinase 1                        |
| 基因 ID(Gene ID)        | 4058.0                                                                                          |
| SwissProt ID          | P29376                                                                                          |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human LTK. AA range:206-255 |

### 研究背景 (Background)

leukocyte receptor tyrosine kinase(LTK) Homo sapiens The protein encoded by this gene is a member of the ros/insulin receptor family of tyrosine kinases. Tyrosine-specific phosphorylation of proteins is a key to the control of diverse pathways

leading to cell growth and differentiation. Multiple transcript variants encoding different isoforms have been found for this gene. [provided by RefSeq, Oct 2008],alternative products:Additional isoforms seem to exist,catalytic activity:ATP + a [protein]-L-tyrosine = ADP + a [protein]-L-tyrosine phosphate.,function:The exact function of this protein is not known. It is probably a receptor with a tyrosine-protein kinase activity.,similarity:Belongs to the protein kinase superfamily. Tyr protein kinase family. Insulin receptor subfamily.,similarity:Contains 1 protein kinase domain.,tissue specificity:Expressed in non-hematopoietic cell lines and T- and B-cell lines.,

### 研究领域 (Research Area)

Signal Transduction; Protein Phosphorylation; Tyrosine Kinases; Receptor Tyrosine Kinases; Growth Factors/Hormones; Insulin / Insulin-like; Metabolism; Energy Metabolism; Pathways and Processes; Metabolic signaling pathways; Energy transfer pathways

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot analysis of lysates from Jurkat cells, using LTK Antibody. The lane on the right is blocked with the synthesized peptide.

Western blot analysis of the lysates from HeLa cells using LTK antibody.

## EnkiLife 优势产品推荐
