

**产品名称: Osteoglycin Rabbit Polyclonal Antibody**

**产品货号: APRab15525**

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | WB,ELISA                                                                                          |
| 种属反应(Reactivity)  | Human,Mouse                                                                                       |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

|                       |                                       |
|-----------------------|---------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,ELISA 1:10000-1:20000 |
| 分子量(Molecular Weight) | 35kDa                                 |

### 抗原信息(Antigen Information)

|                       |                                                                                                                          |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | OGN                                                                                                                      |
| 别名(Alternative Names) | OGN; OIF; SLRR3A; Mimecan; Osteoglycin; Osteoinductive factor; OIF                                                       |
| 基因 ID(Gene ID)        | 4969.0                                                                                                                   |
| SwissProt ID          | P20774                                                                                                                   |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from the C-terminal region of human OGN. AA range:231-280 |

### 研究背景 (Background)

This gene encodes a member of the small leucine-rich proteoglycan (SLRP) family of proteins. The encoded protein induces ectopic bone formation in conjunction with transforming growth factor beta and may regulate osteoblast differentiation. High

expression of the encoded protein may be associated with elevated heart left ventricular mass. Alternative splicing results in multiple transcript variants. [provided by RefSeq, Jan 2016],function:Induces bone formation in conjunction with TGF-beta-1 or TGF-beta-2.,similarity:Belongs to the small leucine-rich proteoglycan (SLRP) family. Class III subfamily.,similarity:Contains 7 LRR (leucine-rich) repeats.,tissue specificity:Bone.,

### 研究领域 (Research Area)

Signal Transduction; Cytoskeleton / ECM; Extracellular Matrix; Structures; Bone; Cell Biology; Cell Cycle; Cell differentiation

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot analysis of lysate from L929 cells, using OGN Antibody.

Western Blot analysis of L929 cells using Osteoglycin Polyclonal Antibody.. Secondary antibody was diluted at 1:20000
