

**产品名称: SPINK6 Rabbit Polyclonal Antibody**

**产品货号: APRab18197**

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | IHC, ICC/IF, ELISA                                                                                |
| 种属反应(Reactivity)  | Human, Rat, Mouse                                                                                 |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

稀释比(Dilution Ratio) IHC 1:100-1:300, ICC/IF 1:50-1:200, ELISA 1:20000-1:40000

分子量(Molecular Weight)

### 抗原信息(Antigen Information)

|                       |                                                                                                  |
|-----------------------|--------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | SPINK6                                                                                           |
| 别名(Alternative Names) | SPINK6; Serine protease inhibitor Kazal-type 6; Kallikrein inhibitor                             |
| 基因 ID(Gene ID)        | 404203.0                                                                                         |
| SwissProt ID          | Q6UWN8                                                                                           |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human SPINK6. AA range:13-62 |

### 研究背景 (Background)

The protein encoded by this gene is a Kazal-type serine protease inhibitor that acts on kallikrein-related peptidases in the skin. Two transcript variants the same protein have been found for this gene. [provided by RefSeq, Aug 2010], function: Probable

serine protease inhibitor.,similarity:Contains 1 Kazal-like domain.,

### 研究领域 (Research Area)

Cell Biology; Proteolysis / Ubiquitin; Protease inhibitors; Other protease inhibitors

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Immunohistochemistry analysis of paraffin-embedded human lung carcinoma, using SPINK6 Antibody. The picture on the right is blocked with the synthesized peptide.
