

**产品名称: TEM7 Rabbit Polyclonal Antibody**

**产品货号: APRab18785**

### 产品概述 (Summary)

|                   |                                                                                                   |
|-------------------|---------------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                                        |
| 宿主(Host)          | Rabbit                                                                                            |
| 应用(Application)   | IHC,ICC/IF,ELISA                                                                                  |
| 种属反应(Reactivity)  | Human,Rat,Mouse                                                                                   |
| 偶联物(Conjugation)  | Unconjugated                                                                                      |
| 修饰(Modification)  | Unmodified                                                                                        |
| 同种型(Isotype)      | IgG                                                                                               |
| 克隆(Clonality)     | Polyclonal                                                                                        |
| 剂型(Form)          | Liquid                                                                                            |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.          |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, 0.5% protective protein and 0.02% New type preservative N. |
| 纯化 (Purification) | Affinity purification                                                                             |

### 产品应用(Application)

稀释比(Dilution Ratio) IHC 1:100-1:300,ICC/IF 1:50-1:200,ELISA 1:10000-1:20000

分子量(Molecular Weight)

### 抗原信息(Antigen Information)

|                       |                                                                                                                |
|-----------------------|----------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | PLXDC1                                                                                                         |
| 别名(Alternative Names) | PLXDC1; TEM3; TEM7; Plexin domain-containing protein 1; Tumor endothelial marker 3; Tumor endothelial marker 7 |
| 基因 ID(Gene ID)        | 57125.0                                                                                                        |
| SwissProt ID          | Q8IUUK5                                                                                                        |
| 免疫原(Immunogen)        | The antiserum was produced against synthesized peptide derived from human PLXDC1. AA range:71-120              |

### 研究背景 (Background)

PTM:N-glycosylated,.,similarity:Belongs to the plexin family,.,subunit:May interact with cortactin,.,tissue specificity:Detected in

endothelial cells from colorectal cancer, and in endothelial cells from primary cancers of the lung, liver, pancreas, breast and brain. Not detectable in endothelial cells from normal tissue.,PTM:N-glycosylated.,similarity:Belongs to the plexin family.,subunit:May interact with cortactin.,tissue specificity:Detected in endothelial cells from colorectal cancer, and in endothelial cells from primary cancers of the lung, liver, pancreas, breast and brain. Not detectable in endothelial cells from normal tissue.,

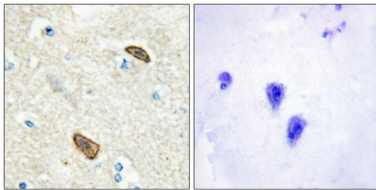

### 研究领域 (Research Area)

Tags & Cell Markers; Cell Type Markers; Tumor Associated; Epi / Endo-thelial; Cardiovascular; Angiogenesis; Endothelial Cell Markers

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Immunohistochemistry analysis of paraffin-embedded human brain, using PLXDC1 Antibody. The picture on the right is blocked with the synthesized peptide.
