

**产品名称:** KLOT Rabbit Polyclonal Antibody

**产品货号:** APRab20474

### 产品概述 (Summary)

|                   |                                                                                          |
|-------------------|------------------------------------------------------------------------------------------|
| 描述(Description)   | Rabbit polyclonal Antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                   |
| 应用(Application)   | WB,ELISA                                                                                 |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                          |
| 偶联物(Conjugation)  | Unconjugated                                                                             |
| 修饰(Modification)  | Unmodified                                                                               |
| 同种型(Isotype)      | IgG                                                                                      |
| 克隆(Clonality)     | Polyclonal                                                                               |
| 剂型(Form)          | Liquid                                                                                   |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles. |
| 储存溶液(Buffer)      | Liquid in PBS containing 50% glycerol, and 0.02% sodium azide                            |
| 纯化 (Purification) | Affinity Purification                                                                    |

### 产品应用(Application)

|                       |                                      |
|-----------------------|--------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,ELISA 1:5000-1:20000 |
| 分子量(Molecular Weight) | Observed MW: 111 kDa                 |

### 抗原信息(Antigen Information)

|                       |                                                                                 |
|-----------------------|---------------------------------------------------------------------------------|
| 基因名(Gene Name)        | KL                                                                              |
| 别名(Alternative Names) | KLOT,Klotho                                                                     |
| 基因 ID(Gene ID)        | 9365.0                                                                          |
| SwissProt ID          | Q9UEF7                                                                          |
| 免疫原(Immunogen)        | Synthesized peptide derived from part region of human protein AA range: 400-500 |

### 研究背景 (Background)

This gene encodes a type-I membrane protein that is related to beta-glucosidases. Reduced production of this protein has been observed in patients with chronic renal failure (CRF), and this may be one of the factors underlying the degenerative processes (e.g., arteriosclerosis, osteoporosis, and skin atrophy) seen in CRF. Also, mutations within this protein have been associated with ageing and bone loss. [provided by RefSeq, Jul 2008],

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western Blot analysis of mouse kidney, rat kidney, HuvEc cell lysis. Primary Antibody was diluted at 1:1000.
