

**产品名称:** beta III Tubulin Rabbit Monoclonal Antibody

**产品货号:** AMRe01723

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB,IHC,ICC/IF,IP                                                                                     |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                      |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Monoclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                                               |
|-----------------------|---------------------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,ICC/IF 1:50-1:200,IP 1:20-1:50 |
| 分子量(Molecular Weight) | Calculated MW: 50 kDa; Observed MW: 50 kDa                    |

### 抗原信息(Antigen Information)

|                       |                                                                            |
|-----------------------|----------------------------------------------------------------------------|
| 基因名(Gene Name)        | TUBB3                                                                      |
| 别名(Alternative Names) | TUBB3; TUBB4; Tubulin beta-3 chain; Tubulin beta-4 chain; Tubulin beta-III |
| 基因 ID(Gene ID)        | 10381                                                                      |
| SwissProt ID          | Q13509                                                                     |
| 免疫原(Immunogen)        | A synthetic peptide of human beta III Tubulin                              |

### 研究背景 (Background)

TUBB3 Tubulin is the major constituent of microtubules. It binds two moles of GTP, one at an exchangeable site on the beta chain and one at a non-exchangeable site on the alpha-chain. TUBB3 plays a critical role in proper axon guidance and maintenance.

## 研究领域 (Research Area)

Signal Transduction

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of beta III Tubulin in mouse brain lysates using beta III Tubulin antibody.

Western blot analysis of beta III Tubulin in rat Brain, HeLa lysates using beta III Tubulin antibody.

Immunohistochemistry analysis of paraffin-embedded Human Cholangiocarcinoma using beta III Tubulin antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

Immunocytochemistry analysis of beta III Tubulin (green) in HeLa using beta III Tubulin antibody, and DAPI (blue).
