

**产品名称:** Cpn10 Rabbit Monoclonal Antibody

**产品货号:** AMRe01848

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB,IHC,IP                                                                                            |
| 种属反应(Reactivity)  | Human,Mouse,Rat                                                                                      |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Monoclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                             |
|-----------------------|---------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,IP 1:20-1:50 |
| 分子量(Molecular Weight) | Calculated MW: 11 kDa; Observed MW: 11 kDa  |

### 抗原信息(Antigen Information)

|                       |                                                                                                                              |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------|
| 基因名(Gene Name)        | HSPE1                                                                                                                        |
| 别名(Alternative Names) | HSPE1; 10 kDa heat shock protein; mitochondrial; Hsp10; 10 kDa chaperonin; Chaperonin 10; CPN10; Early-pregnancy factor; EPF |
| 基因 ID(Gene ID)        | 3336                                                                                                                         |
| SwissProt ID          | P61604                                                                                                                       |
| 免疫原(Immunogen)        | A synthetic peptide of human Cpn10                                                                                           |

### 研究背景 (Background)

Eukaryotic CPN10 homolog which is essential for mitochondrial protein biogenesis, together with CPN60. Binds to CPN60 in the presence of Mg-ATP and suppresses the ATPase activity of the latter.

## 研究领域 (Research Area)

Signal Transduction

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Cpn10 in mouse liver, 3T3, rat kidney lysates using Cpn10 antibody.

Western blot analysis of Cpn10 in K562, Hela lysates using Cpn10 antibody.

Immunohistochemistry analysis of paraffin-embedded Human colon cancer using Cpn10 antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.

## EnkiLife 优势产品推荐
