

**产品名称: EMAP II Rabbit Monoclonal Antibody**

**产品货号: AMRe01945**

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB                                                                                                   |
| 种属反应(Reactivity)  | Human,Rat                                                                                            |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Monoclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000                            |
| 分子量(Molecular Weight) | Calculated MW: 34 kDa; Observed MW: 34 kDa |

### 抗原信息(Antigen Information)

|                       |                                        |
|-----------------------|----------------------------------------|
| 基因名(Gene Name)        | AIMP1                                  |
| 别名(Alternative Names) | p43; HLD3; EMAP2; SCYE1; EMAPII; AIMP1 |
| 基因 ID(Gene ID)        | 9255                                   |
| SwissProt ID          | Q12904                                 |
| 免疫原(Immunogen)        | A synthetic peptide of human EMAP II   |

### 研究背景 (Background)

Non-catalytic component of the multisynthase complex. Stimulates the catalytic activity of cytoplasmic arginyl-tRNA synthase. Binds tRNA. Possesses inflammatory cytokine activity. Negatively regulates TGF-beta signaling through stabilization of SMURF2 by binding to SMURF2 and inhibiting its SMAD7-mediated degradation. Involved in glucose homeostasis through

induction of glucagon secretion at low glucose levels. Promotes dermal fibroblast proliferation and wound repair. Regulates KDELR1-mediated retention of HSP90B1/gp96 in the endoplasmic reticulum. Plays a role in angiogenesis by inducing endothelial cell migration at low concentrations and endothelial cell apoptosis at high concentrations. Induces maturation of dendritic cells and monocyte cell adhesion. Modulates endothelial cell responses by degrading HIF-1A through interaction with PSMA7.

## 研究领域 (Research Area)

Cell Biology

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of EMAP II/AIMP1 in HT-1080 lysates using EMAP II antibody.

Western blot analysis of EMAP II in C6 lysates using EMAP II antibody.
