

**产品名称: SCARB1 Rabbit Monoclonal Antibody**

**产品货号: AMRe02576**

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB                                                                                                   |
| 种属反应(Reactivity)  | Human, Mouse, Rat                                                                                    |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Monoclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                            |
|-----------------------|--------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000                            |
| 分子量(Molecular Weight) | Calculated MW: 61 kDa; Observed MW: 80 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                      |
|-----------------------|----------------------------------------------------------------------|
| 基因名(Gene Name)        | SCARB1                                                               |
| 别名(Alternative Names) | CLA1; SRB1; CLA-1; SR-BI; CD36L1; HDLQTL6; Scavenging Receptor SR-BI |
| 基因 ID(Gene ID)        | 949                                                                  |
| SwissProt ID          | Q8WTV0                                                               |
| 免疫原(Immunogen)        | Recombinant protein of human Scavenging Receptor SR-BI               |

### 研究背景 (Background)

Receptor for different ligands such as phospholipids, cholesterol ester, lipoproteins, phosphatidylserine and apoptotic cells. Probable receptor for HDL, located in particular region of the plasma membrane, called caveolae. Facilitates the flux of free and esterified cholesterol between the cell surface and extracellular donors and acceptors, such as HDL and to a lesser extent, apoB-

containing lipoproteins and modified lipoproteins.

## 研究领域 (Research Area)

Microbiology

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Scavenging Receptor SRBI in rat liver lysates using SCARB1 antibody.

Western blot analysis of Scavenging Receptor SRBI in 3T3, Hela lysates using Scavenging Receptor SRBI antibody.
