

**产品名称:** TGF alpha Rabbit Monoclonal Antibody

**产品货号:** AMRe02685

### 产品概述 (Summary)

|                   |                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                               |
| 宿主(Host)          | Rabbit                                                                                               |
| 应用(Application)   | WB,IHC,IP                                                                                            |
| 种属反应(Reactivity)  | Human                                                                                                |
| 偶联物(Conjugation)  | Unconjugated                                                                                         |
| 修饰(Modification)  | Unmodified                                                                                           |
| 同种型(Isotype)      | IgG                                                                                                  |
| 克隆(Clonality)     | Monoclonal                                                                                           |
| 剂型(Form)          | Liquid                                                                                               |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.             |
| 储存溶液(Buffer)      | 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40% Glycerol, 0.01% Sodium azide and 0.05% protective protein |
| 纯化 (Purification) | Affinity Purification                                                                                |

### 产品应用(Application)

|                       |                                             |
|-----------------------|---------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100,IP 1:20-1:50 |
| 分子量(Molecular Weight) | Calculated MW: 17 kDa; Observed MW: 17 kDa  |

### 抗原信息(Antigen Information)

|                       |                                                  |
|-----------------------|--------------------------------------------------|
| 基因名(Gene Name)        | TGFA                                             |
| 别名(Alternative Names) | ETGF; TFGA; TGF A; TGF-alpha; Tgfa; Wa1; Waved 1 |
| 基因 ID(Gene ID)        | 7039                                             |
| SwissProt ID          | P01135                                           |
| 免疫原(Immunogen)        | Recombinant protein of human TGF alpha           |

### 研究背景 (Background)

TGF alpha is a mitogenic polypeptide that is able to bind to the EGF receptor and to act synergistically with TGF beta to promote anchorage-independent cell proliferation in soft agar.

## 研究领域 (Research Area)

Cardiovascular

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of TGF alpha in K562 lysates using TGF alpha antibody.

Immunohistochemistry analysis of paraffin-embedded Human colon cancer using TGF alpha antibody. High-pressure and temperature Sodium Citrate pH 6.0 was used for antigen retrieval.
