

**产品名称: GRB7 Rabbit Monoclonal Antibody**

**产品货号: AMRe03957**

### 产品概述 (Summary)

|                   |                                                                                                                |
|-------------------|----------------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                                         |
| 宿主(Host)          | Rabbit                                                                                                         |
| 应用(Application)   | WB,IHC                                                                                                         |
| 种属反应(Reactivity)  | Human                                                                                                          |
| 偶联物(Conjugation)  | Unconjugated                                                                                                   |
| 修饰(Modification)  | Unmodified                                                                                                     |
| 同种型(Isotype)      | IgG                                                                                                            |
| 克隆(Clonality)     | Monoclonal                                                                                                     |
| 剂型(Form)          | Liquid                                                                                                         |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                       |
| 储存溶液(Buffer)      | Liquid in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% sodium azide and 0.05% protective protein. |
| 纯化 (Purification) | Affinity Purification                                                                                          |

### 产品应用(Application)

|                       |                                          |
|-----------------------|------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:1000,IHC 1:50-1:100           |
| 分子量(Molecular Weight) | Calculated MW:60 kDa;Observed MW: 60 kDa |

### 抗原信息(Antigen Information)

|                       |                                                                         |
|-----------------------|-------------------------------------------------------------------------|
| 基因名(Gene Name)        | GRB7                                                                    |
| 别名(Alternative Names) | B47; Epidermal growth factor receptor GRB 7; GRB7 adapter protein; GRB7 |
| 基因 ID(Gene ID)        | 2886                                                                    |
| SwissProt ID          | Q14451                                                                  |
| 免疫原(Immunogen)        | Recombinant protein of human GRB7                                       |

### 研究背景 (Background)

Interacts with the cytoplasmic domain of the epidermal growth factor receptor which is then inhibited. The interaction is mediated by the SH2 domain. Also binds to ERBB2.

## 研究领域 (Research Area)

Signal Transduction

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of GRB7 in HepG2 lysates using GRB7 antibody.

## EnkiLife 优势产品推荐
