

产品名称: CARS (9E19) Rabbit Monoclonal Antibody  
产品货号: AMRe07934

## 产品概述 (Summary)

|                        |                                        |
|------------------------|----------------------------------------|
| 产品名称 (Production Name) | CARS (9E19) Rabbit Monoclonal Antibody |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody |
| 宿主 (Host)              | Rabbit                                 |
| 应用 (Application)       | WB,IHC                                 |
| 种属反应性 (Reactivity)     | Human                                  |

## 产品性能 (Performance)

|                     |                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                                                                                                                 |
| 修饰 (Modification)   | Unmodified                                                                                                                                                                                   |
| 同种型 (Isotype)       | IgG                                                                                                                                                                                          |
| 克隆 (Clonality)      | Monoclonal                                                                                                                                                                                   |
| 形式 (Form)           | Liquid                                                                                                                                                                                       |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                                                                                                     |
| 储存溶液 (Buffer)       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| 纯化方式 (Purification) | Affinity purification                                                                                                                                                                        |

## 免疫原信息 (Immunogen)

|                        |              |
|------------------------|--------------|
| 基因名 (Gene Name)        | CARS1        |
| 别名 (Alternative Names) | Cars; CysRS; |
| 基因 ID (Gene ID)        | 833.0        |
| 蛋白 ID (SwissProt ID)   | P49589.      |

## 产品应用 (Application)

|                          |                                  |
|--------------------------|----------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:2000-1:20000,IHC 1:50-1:100 |
| 蛋白分子量 (Molecular Weight) | 85kDa                            |

## 研究背景 (Background)

**产品名称: CARS (9E19) Rabbit Monoclonal Antibody**  
**产品货号: AMRe07934**

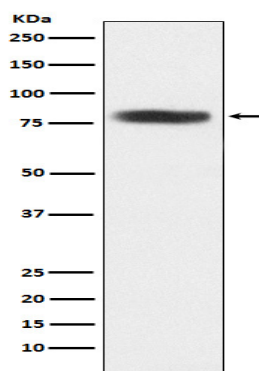

Catalytic activity:  $\text{ATP} + \text{L-cysteine} + \text{tRNA(Cys)} = \text{AMP} + \text{diphosphate} + \text{L-cysteinyl-tRNA(Cys)}$ . Catalyzes the ATP-dependent ligation of cysteine to tRNA(Cys).

## 研究领域 (Research Area)

Signal Transduction

## 图片 (Image Data)

Western blot analysis of CARS expression in 293T cell lysate.

## 注意事项 (Note)

For research use only .
