

**产品名称:** Cathelicidin (8H15) Rabbit Monoclonal Antibody

**产品货号:** AMRe08007

## 产品概述 (Summary)

|                   |                                                                                                                             |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                                                      |
| 宿主(Host)          | Rabbit                                                                                                                      |
| 应用(Application)   | WB,IHC,IP,IF-P                                                                                                              |
| 种属反应(Reactivity)  | Human                                                                                                                       |
| 偶联物(Conjugation)  | Unconjugated                                                                                                                |
| 修饰(Modification)  | Unmodified                                                                                                                  |
| 同种型(Isotype)      | IgG                                                                                                                         |
| 克隆(Clonality)     | Monoclonal                                                                                                                  |
| 剂型(Form)          | Liquid                                                                                                                      |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                                    |
| 储存溶液(Buffer)      | Supplied in 50mM Tris-Glycine(pH 7.4), 0.15M NaCl, 40%Glycerol, 0.01% New type preservative N and 0.05% protective protein. |
| 纯化 (Purification) | Affinity purification                                                                                                       |

## 产品应用(Application)

|                       |                                                                 |
|-----------------------|-----------------------------------------------------------------|
| 稀释比(Dilution Ratio)   | WB 1:500-1:2000,IHC 1:500-1:2000,IP 1:20-1:50,IF-P 1:500-1:2000 |
| 分子量(Molecular Weight) | 19kDa                                                           |

## 抗原信息(Antigen Information)

|                       |                                           |
|-----------------------|-------------------------------------------|
| 基因名(Gene Name)        | CAMP                                      |
| 别名(Alternative Names) |                                           |
| 基因 ID(Gene ID)        | 820.0                                     |
| SwissProt ID          | P49913                                    |
| 免疫原(Immunogen)        | A synthetic peptide of human Cathelicidin |

## 研究背景 (Background)

## 研究领域 (Research Area)

Microbiology; Lipopolysaccharide; Bacterial Lipopolysaccharide; Immunology; Secreted Molecules

### 注意事项 (Note)

For research use only.

### 图片 (Image Data)

Western blot detection of Cathelicidin/CLP in human serum using Cathelicidin/CLP antibody.

## EnkiLife 优势产品推荐
