

产品名称: CCR9 (11E6) Rabbit Monoclonal Antibody  
产品货号: AMRe08163

## 产品概述 (Summary)

|                        |                                        |
|------------------------|----------------------------------------|
| 产品名称 (Production Name) | CCR9 (11E6) Rabbit Monoclonal Antibody |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody |
| 宿主 (Host)              | Rabbit                                 |
| 应用 (Application)       | WB, ICC/IF, FC                         |
| 种属反应性 (Reactivity)     | Human, Mouse, Rat                      |

## 产品性能 (Performance)

|                     |                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                                                                                                                 |
| 修饰 (Modification)   | Unmodified                                                                                                                                                                                   |
| 同种型 (Isotype)       | IgG                                                                                                                                                                                          |
| 克隆 (Clonality)      | Monoclonal                                                                                                                                                                                   |
| 形式 (Form)           | Liquid                                                                                                                                                                                       |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                                                                                                     |
| 储存溶液 (Buffer)       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| 纯化方式 (Purification) | Affinity purification                                                                                                                                                                        |

## 免疫原信息 (Immunogen)

|                        |                                                      |
|------------------------|------------------------------------------------------|
| 基因名 (Gene Name)        | CCR9                                                 |
| 别名 (Alternative Names) | G-protein coupled receptor 28; GPR-9-6; CDw199; CCR9 |
| 基因 ID (Gene ID)        | 10803.0                                              |
| 蛋白 ID (SwissProt ID)   | P51686.                                              |

## 产品应用 (Application)

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:500-1:2000, ICC/IF 1:100-1:200, FC 1:20-1:50 |
| 蛋白分子量 (Molecular Weight) | 42kDa                                             |

## 研究背景 (Background)

**产品名称: CCR9 (11E6) Rabbit Monoclonal Antibody**  
**产品货号: AMRe08163**

Receptor for chemokine SCYA25/TECK. Subsequently transduces a signal by increasing the intracellular calcium ions level. Alternative coreceptor with CD4 for HIV-1 infection. Receptor for chemokine SCYA25/TECK. Subsequently transduces a signal by increasing the intracellular calcium ions level.

## 研究领域 (Research Area)

Immunology; Innate Immunity; Chemokines; Beta Chemokine Rec. (CCR)

## 图片 (Image Data)

Western blot analysis of CCR9 in (1) A549 cell lysate; (2) Daudi cell lysate.

## 注意事项 (Note)

For research use only .
