

**产品名称: GAL4 (12X10) Rabbit Monoclonal Antibody**  
**产品货号: AMRe11259**

## 产品概述 (Summary)

|                        |                                         |
|------------------------|-----------------------------------------|
| 产品名称 (Production Name) | GAL4 (12X10) Rabbit Monoclonal Antibody |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody  |
| 宿主 (Host)              | Rabbit                                  |
| 应用 (Application)       | WB,IHC,IF-P                             |
| 种属反应性 (Reactivity)     | Human,Rat                               |

## 产品性能 (Performance)

|                     |                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                                                                                                                 |
| 修饰 (Modification)   | Unmodified                                                                                                                                                                                   |
| 同种型 (Isotype)       | IgG                                                                                                                                                                                          |
| 克隆 (Clonality)      | Monoclonal                                                                                                                                                                                   |
| 形式 (Form)           | Liquid                                                                                                                                                                                       |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                                                                                                     |
| 储存溶液 (Buffer)       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| 纯化方式 (Purification) | Affinity purification                                                                                                                                                                        |

## 免疫原信息 (Immunogen)

|                        |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| 基因名 (Gene Name)        | LGALS4                                                                          |
| 别名 (Alternative Names) | L36LBP; Lactose binding lectin 4; Lectin galactoside binding soluble 4; LGALS4; |
| 基因 ID (Gene ID)        | 3960.0                                                                          |
| 蛋白 ID (SwissProt ID)   | P56470.                                                                         |

## 产品应用 (Application)

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:1000-1:5000,IHC 1:200-1:500,IF-P 1:200-1:500 |
| 蛋白分子量 (Molecular Weight) | 36kDa                                             |

## 研究背景 (Background)

**产品名称: GAL4 (12X10) Rabbit Monoclonal Antibody**  
**产品货号: AMRe11259**

Galectin that binds lactose and a related range of sugars. May be involved in the assembly of adherens junctions. Galectin that binds lactose and a related range of sugars. May be involved in the assembly of adherens junctions.

## 研究领域 (Research Area)

## 图片 (Image Data)

Western blot analysis of GAL4 expression in rat small intestine lysate.

## 注意事项 (Note)

For research use only .
