

产品名称: PAX7 (17K19) Rabbit Monoclonal Antibody  
产品货号: AMRe15793

## 产品概述 (Summary)

|                        |                                         |
|------------------------|-----------------------------------------|
| 产品名称 (Production Name) | PAX7 (17K19) Rabbit Monoclonal Antibody |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody  |
| 宿主 (Host)              | Rabbit                                  |
| 应用 (Application)       | WB,FC                                   |
| 种属反应性 (Reactivity)     | Human,Mouse,Rat                         |

## 产品性能 (Performance)

|                     |                                                                                                                                                                                              |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                                                                                                                 |
| 修饰 (Modification)   | Unmodified                                                                                                                                                                                   |
| 同种型 (Isotype)       | IgG                                                                                                                                                                                          |
| 克隆 (Clonality)      | Monoclonal                                                                                                                                                                                   |
| 形式 (Form)           | Liquid                                                                                                                                                                                       |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.                                                                                                     |
| 储存溶液 (Buffer)       | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle. |
| 纯化方式 (Purification) | Affinity purification                                                                                                                                                                        |

## 免疫原信息 (Immunogen)

|                        |                                             |
|------------------------|---------------------------------------------|
| 基因名 (Gene Name)        | PAX7                                        |
| 别名 (Alternative Names) | Paired box protein Pax-7; HuP1; PAX7; HUP1; |
| 基因 ID (Gene ID)        | 5081.0                                      |
| 蛋白 ID (SwissProt ID)   | P23759.                                     |

## 产品应用 (Application)

|                          |                                 |
|--------------------------|---------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:1000-1:5000,FC 1:100-1:200 |
| 蛋白分子量 (Molecular Weight) | 55kDa                           |

## 研究背景 (Background)

**产品名称: PAX7 (17K19) Rabbit Monoclonal Antibody**  
**产品货号: AMRe15793**

This gene is a member of the paired box (PAX) family of transcription factors. Members of this gene family typically contain a paired box domain, an octapeptide, and a paired-type homeodomain. Probable transcription factor. May have a role in myogenesis. Transcription factor that is involved in the regulation of muscle stem cells proliferation, playing a role in myogenesis and muscle regeneration.

## 研究领域 (Research Area)

## 图片 (Image Data)

Western blot analysis of PAX7 expression in HeLa lysate.

## 注意事项 (Note)

For research use only .
