

**产品名称: Prostein (16Q10) Rabbit Monoclonal Antibody**

**产品货号: AMRe16529**

### 产品概述 (Summary)

|                   |                                                                                                                                                                                       |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 描述(Description)   | Recombinant rabbit monoclonal antibody                                                                                                                                                |
| 宿主(Host)          | Rabbit                                                                                                                                                                                |
| 应用(Application)   | IHC, IF-P                                                                                                                                                                             |
| 种属反应(Reactivity)  | Human                                                                                                                                                                                 |
| 偶联物(Conjugation)  | Unconjugated                                                                                                                                                                          |
| 修饰(Modification)  | Unmodified                                                                                                                                                                            |
| 同种型(Isotype)      | IgG                                                                                                                                                                                   |
| 克隆(Clonality)     | Monoclonal                                                                                                                                                                            |
| 剂型(Form)          | Liquid                                                                                                                                                                                |
| 保存条件(Storage)     | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.<br>Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% New type preservative |
| 储存溶液(Buffer)      | N and 50% glycerol. Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.                                                                                    |
| 纯化 (Purification) | Affinity purification                                                                                                                                                                 |

### 产品应用(Application)

|                       |                                     |
|-----------------------|-------------------------------------|
| 稀释比(Dilution Ratio)   | IHC 1:200-1:2000, IF-P 1:200-1:2000 |
| 分子量(Molecular Weight) | 59kDa                               |

### 抗原信息(Antigen Information)

|                       |                                                            |
|-----------------------|------------------------------------------------------------|
| 基因名(Gene Name)        | SLC45A3                                                    |
| 别名(Alternative Names) | IPCA6; PCANAP2; PCANAP6; PCANAP8; Prostein; PRST; Slc45a3; |
| 基因 ID(Gene ID)        | 85414.0                                                    |
| SwissProt ID          | Q96JT2                                                     |
| 免疫原(Immunogen)        | A synthetic peptide of human Prostein                      |

### 研究背景 (Background)

Marker for prostate cells. May be used, in case of prostate cancers, as a target antigen for prostate carcinomas-directed cytotoxic T-cell lymphocytes.

## 研究领域 (Research Area)

## 注意事项 (Note)

For research use only.

## 图片 (Image Data)

Western blot analysis of Prostein expression in LnCaP cell lysate.

## EnkiLife 优势产品推荐
