

产品名称: PRP19 Rabbit Monoclonal Antibody  
产品货号: AMRe83810

## 产品概述 (Summary)

|                        |                                        |
|------------------------|----------------------------------------|
| 产品名称 (Production Name) | PRP19 Rabbit Monoclonal Antibody       |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody |
| 宿主 (Host)              | Rabbit                                 |
| 应用 (Application)       | WB,IHC,ICC/IF,ICC,FC                   |
| 种属反应性 (Reactivity)     | Human,Mouse,Rat                        |

## 产品性能 (Performance)

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                |
| 修饰 (Modification)   | Unmodified                                                                                  |
| 同种型 (Isotype)       | IgG                                                                                         |
| 克隆 (Clonality)      | Monoclonal                                                                                  |
| 形式 (Form)           | Liquid                                                                                      |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.    |
| 储存溶液 (Buffer)       | Purified antibody in PBS with 0.05% sodium azide,0.05% protective protein and 50% glycerol. |
| 纯化方式 (Purification) | Affinity Purification                                                                       |

## 免疫原信息 (Immunogen)

|                        |                                                                                                                                                    |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| 基因名 (Gene Name)        | PRP19                                                                                                                                              |
| 别名 (Alternative Names) | NMP200; nuclear matrix protein 200; pre-mRNA-processing factor 19; PRP19; PRP19/PSO4; PRPF19; PSO4; senescence evasion factor; SNEV; UBOX4;;PRPF19 |
| 基因 ID (Gene ID)        |                                                                                                                                                    |
| 蛋白 ID (SwissProt ID)   | Q9UMS4.A synthesized peptide derived from human PRPF19                                                                                             |

## 产品应用 (Application)

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| 稀释比 (Dilution Ratio)     | WB 1:1000-1:2000,IHC 1:100-1:200,ICC/IF 1:50-1:200,ICC 1:50-1:200,FC 1:20-1:100 |
| 蛋白分子量 (Molecular Weight) | 55 kDa                                                                          |

产品名称: PRP19 Rabbit Monoclonal Antibody  
产品货号: AMRe83810

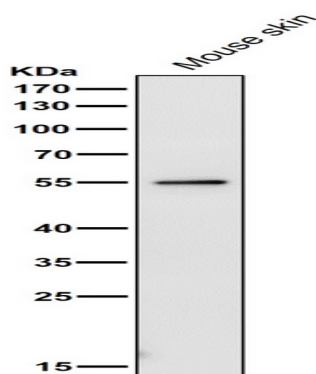

## 研究背景 (Background)

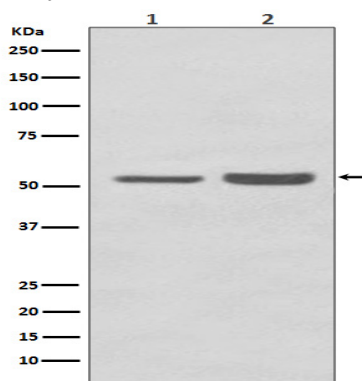

Core component of the PRP19C/Prp19 complex/NTC/Nineteen complex which is part of the spliceosome and participates in its assembly, its remodeling and is required for its activity. During assembly of the spliceosome, mediates 'Lys-63'-linked polyubiquitination of the U4 spliceosomal protein PRPF3. Ubiquitination of PRPF3 allows its recognition by the U5 component PRPF8 and stabilizes the U4/U5/U6 tri-snRNP spliceosomal complex

## 研究领域 (Research Area)

## 图片 (Image Data)

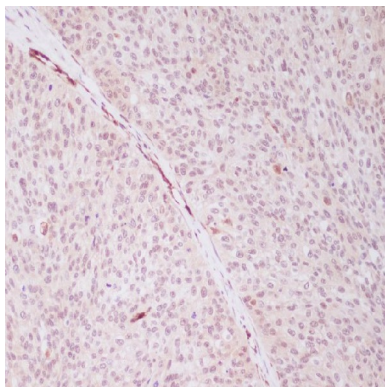

All lanes use the Antibody at 1:2K dilution for 1 hour at room temperature.

Western blot analysis of PRP19 expression in (1) HepG2 cell lysate; (2) NIH/3T3 cell lysate.

**产品名称: PRP19 Rabbit Monoclonal Antibody**  
**产品货号: AMRe83810**

Immunohistochemical analysis of paraffin-embedded human cervix cancer, using PRP19 Antibody.

#### **注意事项 (Note)**

For research use only .
