

**产品名称: TFR2 Rabbit Monoclonal Antibody**  
**产品货号: AMRe86194**

## 产品概述 (Summary)

|                        |                                        |
|------------------------|----------------------------------------|
| 产品名称 (Production Name) | TFR2 Rabbit Monoclonal Antibody        |
| 描述 (Description)       | Recombinant rabbit monoclonal antibody |
| 宿主 (Host)              | Rabbit                                 |
| 应用 (Application)       | WB                                     |
| 种属反应性 (Reactivity)     | Human                                  |

## 产品性能 (Performance)

|                     |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| 偶联物 (Conjugation)   | Unconjugated                                                                                |
| 修饰 (Modification)   | Unmodified                                                                                  |
| 同种型 (Isotype)       | IgG                                                                                         |
| 克隆 (Clonality)      | Monoclonal                                                                                  |
| 形式 (Form)           | Liquid                                                                                      |
| 存放说明 (Storage)      | Store at 4°C short term. Aliquot and store at -20°C long term. Avoid freeze/thaw cycles.    |
| 储存溶液 (Buffer)       | Purified antibody in PBS with 0.05% sodium azide, 0.5% protective protein and 50% glycerol. |
| 纯化方式 (Purification) | Affinity Purification                                                                       |

## 免疫原信息 (Immunogen)

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| 基因名 (Gene Name)        | TFR2                                                                                                                  |
| 别名 (Alternative Names) | Transferrin receptor protein 2; Tfr2; TFR2                                                                            |
| 基因 ID (Gene ID)        | 7036.0                                                                                                                |
| 蛋白 ID (SwissProt ID)   | Q9UP52.KLH-conjugated synthetic peptide encompassing a sequence within human TFR2. The exact sequence is proprietary. |

## 产品应用 (Application)

|                          |                 |
|--------------------------|-----------------|
| 稀释比 (Dilution Ratio)     | WB 1:500-1:1000 |
| 蛋白分子量 (Molecular Weight) | 100 kD          |

## 研究背景 (Background)

产品名称: TFR2 Rabbit Monoclonal Antibody  
产品货号: AMRe86194

Recombinant rabbit monoclonal antibody to TFR2

## 研究领域 (Research Area)

## 图片 (Image Data)

Western blot analysis of TFR2 expression in K562 (A) whole cell lysates. (Predicted band size: 88 kD; Observed band size: 100 kD)

## 注意事项 (Note)

For research use only .
